there. it is "the beatles story, told for the first time, in their own words and pictures." it is comprehensive, and
not that daunting to get through. **volume 16 number 005 a moment in time capsule 1970: the ...** -
beatles, but by august 1960, the beatles, pushed the edge of rock music. at the core of the group were john
lennon, george harrison, and paul mccartney. other artists had played with them, but they would emerge
internationally soon after mid-1962 after they were joined by drummer and occasional soloist, ringo starr.
